

Push Mount Cable Ties

- Material: Nylon 6/6
- RoHS and REACH Compliant
- Operating temperature range -104°F to $+185^{\circ}\text{F}$
- UV Resistant

Kable Kontrol® Arrow Head Push Mount Cable Ties are made from high quality nylon, ensuring exceptional durability and long-lasting performance. The push-mount design allows self-locking and easy installation by snapping into a hole, securely locking the tie into place without the need for wings. Their one-piece construction ensures consistent performance and reliability, while the curved tip allows for fast and easy threading, speeding up the installation process.
